

## Next Steps

When you have completed this form put it in a safe place and tell someone about it.

We think it a great idea to give details to your next of kin or solicitor, or if you should like us to keep a copy for you we would be only too happy to do so.

Alternatively, if you think that a prepaid funeral plan could be of interest to you, ask us about our Golden Charter Funeral Plans (all monies are held in a trust fund and easy payment options).

An additional benefit is that it moves with you, if you should, to another affiliated Independent Funeral Director in the UK.

For help or advice telephone at any time.

It's simple ... and free.

Do it today ... reflect your day,  
in your style and your way.

No one likes to talk about their funeral but just filling in this simple form will mean that those around you will know what your choices are.

Having this information readily available will make everything much easier for your nearest and dearest at a sad and difficult time.

**This is why it is a good idea to record your choices.**
